# New Format for Updates

Thank you for your faithful support and prayers for us and the work in Mexico. I apologize for the lack of communication recently. The reason I've stopped sending updates every month is because I want to design a completely new format for keeping you all informed and up-to-date on the ministry in Mexico. More about this in the future...

So many things have happened since the last update! Our trip to the US, the birth of our daughter Jehosheba, Amor Divino in the city of Maravatio, a double wedding at the camp, the river camping trip with folks from different churches in Mexico, a new Bible study we started, evangelism at the government hospital as well as the Easter family camp! Oh, and I forgot to mention the book store ministry...

We are very busy and grateful the Lord has us here at the camp for now. In this update, I just want to share some pictures with you all and ask you to continue praying for us. I'm going to be working on this new format and as soon as possible, I will give you all access to it. I can't wait to share it with you!

May we all continue to grow in the Grace and Knowledge of our Lord Jesus Christ!
