Report of the use of talents entrusted to HIS servant, nathan.

And the truth of the Lord is everlasting...”*

Trip to the Border

The 11th of April my good friend Regis and I left for the border to renew my car papers. Regis had a couple weeks off from school because of Easter and was kind enough to accompany me on this trip. It was

really nice having someone to talk to and to give me a break driving. As we drove up we passed many accidents on the opposite side of the highway but there were none on our side. Coming back the next day we passed accidents on the opposite side but didn't have any trouble on our side. The Lord answered your prayers for safety. Thank you!

Arumbaro Ministry

In Arumbaro I have mostly worked with the children, but lately, I've started helping more with the adults' Bible study there. Juan, one of the elders in our Church has been in charge of the adults Bible study but he hasn't been able to come recently since his wife, Berta, has been sick. We feel encouraged about what we see happening there, but feel like this ministry is really under attack spiritually. Many of the adults who are really interested have suffered harsh criticism by the community. And of course, there are Berta's health struggles.

Please pray the Lord would protect those who are seeking the truth.

Pray that the Lord would heal Berta or do something greater.

San Carlos Ministry

Children's Class

In San Carlos, we just aren't seeing the same response in the children as in Arumbaro. In Arumbaro we probably have on average 25-30 kids. But in San Carlos, we feel like we have a big crowd if we get 5 or 6 kids! There are plenty of kids who I think would come, but their parents won't let them.

Please continue to pray that more and more children will be able to come and hear about Jesus.

Pray that the Lord would silence the enemy's lies in San Carlos.

Pray that the Lord would give me the wisdom to know how I should proceed.

Berea Music Ministries

I'm excited to say that I have officially started recording, and am working on our second album of hymns in Spanish! Lord willing by the next prayer update I will have this album finished. You can download the first album we made a few years ago at www.palabradeverdad.com under *Audio-Cantos de Esperanza y Vida Eterna*. It's all free, but of course, it's in Spanish.

Please pray that the Lord would receive all the glory from this new album.

Pray that it would be used to edify His church.

Pray that the Lord would lead me in the next production.

Easter Camp

The Easter camp started on the 13th, the day after Regis and I got back from our border trip. I'm amazed at the Lord's working in answer to your prayers as I remember the prayer requests for this camp in the March update.

-The Holy Spirit truly spoke through the teachers in the camp, and many people 'including myself' were encouraged, refreshed, challenged and greatly edified.

-There was so much work to do in preparation for this camp, and my trip to the border didn't help any! Yet God was faithful and everything was ready on time.

-There was a true spirit of love, in the fellowship of those who came!

How the Lord delights in answering the prayers of His people! Yet, what comfort there is in knowing that He will only give us what is good. Matthew 7:11

Vacation to Chapala

This past week we took a family vacation to Chapala, the largest lake in Mexico. It was a wonderful time to just slow down and relax. We really enjoyed it.
