Arumbaro Ministry

The work continues every Saturday at 4:30 PM in Arumbaro. We are encouraged as we see people slowly understanding more and more. Don Poly, an elderly man from there, has started to come quite faithfully, even coming on his own, to our Sunday Church service at the camp. This is quite surprising considering that the only way he can come is by taking an early morning bus; this represents an hour ride just one way, plus the expense that involves. Last Sunday, as my dad was speaking with this man, he said that in the past few weeks he had been having terrible nightmares. He wanted to know if my dad had any idea why. This is actually a very common thing we see happen to people who start studying the Bible with us, or who begin searching for

the truth. In this way Satan usually succeeds in scaring them off, and the lost seeker decides to stay in darkness. My dad urged him to accept Christ then and there, but he said he needed to think about it. We still don't know what will happen with Don Poly. I urgently ask for your prayers for this man, that the Lord would not allow the devil to scare him away, that the Holy Spirit would convict him of his sin, that he would believe in Jesus.

Arkansas Work Team

Late Saturday night the 7th of January, we were blessed by the arrival of a work team from Faith Bible Fellowship, in Little Rock, Arkansas, coming to help us finish the last of the apartments. Apartments are a huge blessing as they are ideal for

couples and small families, one of our greatest needs for our family camps. Right now we have about 20 apartments that are usable. With these new apartments we will have a total of roughly 35. There was a lot of work to do, and praise the Lord a lot was done! Please pray that the Lord would help us finish what remains to be done on these apartments.

Parents in Action

The 20th and 21st of January we had a Parents in Action camp. Parents in Action is a small camp we do about six times a year. It's goal is to help encourage parents in raising and teaching their kids in the Lord's ways. It starts on a Friday evening and it goes through Saturday afternoon. Right now we have about 150 people attending these camps. The camps are very short,

but they provide a great opportunity for people to get together and fellowship, encourage one another and be exhorted to continue diligently raising their children, obeying Biblical teaching. Please pray that these parents would be encouraged and would be diligent as they raise their children in this wicked and perverse world.

Children Ministry

A new ministry that I am very excited about is the opportunity to start working with the children in San Carlos on Sunday afternoons. I was unable to go there previously because our Arumbaro ministry used to be on Sundays. Now that we are meeting in Arumbaro on Saturdays, I'm hoping to start going to San Carlos. With the Lord's blessing I hope to be able to teach the children from San Carlos about the Lord Jesus. Please pray that parents would let their children come and hear.

La Purisima

La Purisima is the small town where I am giving the Bible study to Damian and Flora. I apologize for using the same photo of them so many times! It's the only one I have. They continue to be very open and interested. I feel like the old woman perhaps has understood...time will tell. But I'm afraid the old man still doesn't get it. Please Continue to pray for his salvation and that the Lord would give me wisdom to know how to continue working with them.

Girl's Conference

This weekend we have a conference for mothers and daughters. It starts Thursday afternoon and goes through Saturday. The teachings are going to be about "speaking the truth in your heart". We are really excited about what the Lord is going to do through these teachings! And we've been blown away by the number of people signed up to come. My dad has a team of guys to make and serve the food, take care of the young children and run the sound system. Please pray that the Holy Spirit would control every aspect of the camp, and that many mothers and daughters would be challenged, encouraged and blessed by the teachings and the godly fellowship.

I believe that the Lord is working in ways that are unmeasurable, around the world in answer to the prayers of people like you. Thank you so much for your support in prayer.

I think you all are aware of the great things the Lord is doing in the Cappuccino business. If anyone hasn't heard please let me know and I will get the information to you.

nathan,

Your brother in JESUS.

Maranatha!
