

Christ, Only Christ!

Proclaiming HIM Following HIM

January 2021

Hand In Hand With Jesus

I walked on billows with Jesus
And knew no fear of the sea;
Though waves of temptation surrounded,
His grace was sufficient for me.

The spray touched my lips and my garments
'Twould never have caused me harm,
But the way seemed so rough and endless
My peace gave way to alarm.

When I should have counted my blessings,
I counted my burdens each day;
And my eyes grew weary with weeping,
My heart too discouraged to pray.

Almost I had sunk 'neath the waters,
When I turned my eyes above
And saw that my Savior was smiling;
His eyes were tender with love.

Then I knew He had not forsaken;
"Save me, Lord Jesus!" I cried.
How quickly His arms were around me;
I walked again at His side!

Though the waves are still all around me,
The sea is still at my feet,
I walk hand in hand with my Savior
And rejoice in His fellowship sweet.

Work Team

With the amazing help of many dear friends from Little Rock AR we were able to get a lot of work done on a construction project at the Camp! Our main focus was finishing a house for the camp facility managers, who at present are Regis and Katie. Currently they are living in a camper trailer but they're expecting twins soon and will need the space this new house affords.

Drywall work on the inside of the house.

New Discipleship Group

As I mentioned in the last update, this year we have a new group of young people participating in our discipleship program. There are 3 guys and 7 girls, not counting my sister Annie and I. Every one of these young people have been fantastic so far and we are grateful for everyone who is here!

So far we have done 3 courses with the disciples–(one each week): The Book of Proverbs, with Nate Persson, Biblical Evangelism with Tony Ramsek, and last week I went through a course with the disciples on How We Got the Bible or The Canon of Scripture.

Lectures on the book of Proverbs with Nate Persson.

- ▶ *Heavenly Father, help us to be doers of Your Word.*
- ▶ *Help us to love one another and so prove to be Your disciples.*
- ▶ *Protect these young people from the enemy's lies.*
- ▶ *Use us to take the Gospel to the ends of the earth. In Jesus name, amen.*

Parents in Action Camp

We are so grateful to the Lord for every event or camp we manage to do in light of the government's ever increasing restrictions and brazen removal of freedoms we have all enjoyed for decades. One such event was a Parents in Action camp last weekend.

In preparation for this camp the families all read the missionary biography of Rachel Saint, sister of Nate Saint. I so enjoyed reading this book that mentions the famous death of the five missionaries in Ecuador, but then goes on to tell how the Aucas were finally reached with the Gospel.

- ▶ *Dear Lord, give us an open door for the ministry.*
- ▶ *May these parents be active in the discipleship of their children. Amen.*

What's Next?

I've been busy working on a website for Havilah. With all the new government restrictions, our sales have been almost nil. Our hope would be to start selling more online in order to survive during this difficult time.

I'm hoping to soon release our first audio book! I've already started recording and once it's finished it will be available online for free.

It's also encouraging to note that the video slideshow we made for the Christmas plays has been put online and it currently has close to 400 views!

Unfortunately we had to stop going to the Drug rehab center. The directors told us they have had to stop receiving any visitors and will let us know when we can start going again.

- ▶ *Wonderful Savior! Fill us with the knowledge of Your will.*
- ▶ *Give us the grace to obey You.*
- ▶ *Help us to abide in You.*
- ▶ *And may Christ, only Christ be followed and proclaimed! Amen.*

Thank you for your generous support, genuine interest and faithful prayers!

Nathan,

Your brother in CHRIST!

- ▶ *OUR LORD, COME!*
