

Christ, Only Christ!

Report of the use of talents entrusted to HIS servant, nathan.

*“Mine is a heavenly Father, not cold and far away,
But one who walks beside me and listens when I pray.”*

Barbara C. Ryberg

July 2017

Arumbaro Ministry

Praise the Lord for a great month! In Arumbaro we are starting to see more adults come to the Bible study. Don Poly continues to come faithfully and there's a big group of kids every week.

- *Please continue to pray for Juan and Lidia.*
- *Pray that those who are coming to the study would have a hunger for the Truth.*
- *Pray that the Holy Spirit would convict these people concerning sin, righteousness, and judgment.*

San Carlos Ministry

Because of the youth camps, I haven't been able to go to San Carlos the last two weeks. But Nestor has gone and the adult Bible study continues down there. The last time I went, pretty much all the kids had stopped coming. This is likely because the people in San Carlos are very closed to the Gospel and anyone who lets there kids come faces lots of criticism. I'm trying to decide if I should keep on going down there or try going somewhere else.

- *Please pray that the Lord's will would be clear.*
- *Pray that the Lord would open San Carlos to the Gospel.*
- *Pray that the Lord would encourage the believers in San Carlos.*

July Camps

So far two of the three camps have passed and the Lord has been answering our prayers! The teachings have been amazing and so many campers have been challenged and encouraged. Please continue to pray as we finish up the last camp.

- *Please pray that the Holy Spirit would be in complete control.*
- *Pray for the teachers.*
- *Pray for strength for those serving in the kitchen.*

Amor Divino

During the camp last week we were going out with the campers every morning doing Amor Divino in Morelia. Praise the Lord for two Bible studies, and a contact who wanted good Christian literature.

- *Please pray that the word of God in these homes would be read and understood.*
- *Pray that those who have expressed interest would not turn back.*

In the August update, I will try to fill you in on lots of the details that I don't have time to talk about right now. I'm so grateful to the Lord for every one of you! Thank you for your interest and prayers!

nathan,

Your brother in JESUS.

Maranatha!
