

Christ, Only Christ!

Report of the use of talents entrusted to HIS servant, Nathan.

*There's a work for every Christian in the service of the King,
Some can preach with mighty power, some can play, and some can sing;
Some can reach the lost by thousands, others touch one lonely heart;
All have not the same commission, each for Christ must do his part.
When we stand before the Savior, this His word to us shall be,
"Did you do the job I gave you? have you done your best for Me?"
Some must go to take the gospel, spread the news from shore to shore,
Still if all should cross the ocean who would reach that man next door?
Live each day as unto Jesus, He has promised to reward
Every cup of water given in the name of Christ your Lord.*

We are just praising the Lord for what He has done and is doing in this place! I'm not going to repeat to you all the exciting stories that my mom has already told you, but I do want to share some pictures with you from the time we spent in this city!

Third day outreach

The Lord's provision and direction was so abundant and clear during this wonderful week! He answered our prayers far beyond all that we asked our thought! He is so good!

- *Please pray that the people would continue to receive the Word of God.*
- *Pray that the Holy Spirit would speak through those giving the studies.*
- *Pray that Satan's plans would continue to be frustrated!*

Student Ministry

Many of my friends are studying in the university right now and they have been doing a great job of reaching out to their fellow students with the Good News! One of them had the idea of having his unsaved friends from his college over to his house to show them a short documentary called: *Evolution vs. God* by Ray Comfort.

After talking about it we decided to have them come to the camp and also doing a soccer tournament. We invited a lot of students but most of them had already made plans for that weekend. In the end we only had four unsaved students come and about eight young men from our churches. The evening went really well and the students seemed to be impacted by the film! They were even asking where they could buy it to show to others! Thankfully it is available for free on YouTube.

We were really excited about how everything turned out and are hoping to do it again soon! One of the students who came was Rafael the civil engineering student I'm studying with.

- *Please pray for the salvation of these students!*
- *Pray that they would receive a love for the truth!*
- *Pray that we would be light and salt to these students.*
- *Pray for protection from the enemy as we continue to reach out to students.*

Arumbaro Ministry

We continue to have a pretty constant attendance every week and I think that the believers in this place are slowly growing. Thankfully the children have also been coming! Even so, I do feel a great concern for these new believers as I see different ways Satan is trying to trip them up. Primitivo seems to be growing but I'm worried about him and sense that he is under great spiritual attack.

- *Please pray for the protection of these new believers.*
- *Pray that Primitivo would grow in the Grace and knowledge of our Lord and Savior!*
- *Pray that we would not cause any of these little ones to stumble!*
- *Pray that Satan's plans would not prosper.*

Parents in Action Camp

The past weekend we had one of our Parents in Action Camps. This time the families had been reading the biography of Mary Slessor, the Scottish missionary to Nigeria. It was a very encouraging and challenging read for all of us! We didn't have as many families this time but it was an edifying time and we are grateful for what God is doing in these people's lives.

- *Please pray that these parents would have discernment with their kids.*
- *Pray they would be examples for their children.*
- *Pray that they would be kept from Satan's lies.*

What's Next?

The big event coming up is our youth camps! They start on the 16th of July and will continue until August 3rd. It is going to be a busy time for us all and we desperately need your prayers!

Besides this, most of the normal weekly ministries will continue.

- *Please pray for wisdom and strength as we prepare and plan for these coming camps.*
- *Pray that Jesus would be the focus of all that we do!*
- *Pray that He would be seen in our lives.*
- *Pray for those who will be bringing the teaching in these camps.*
- *Pray for special grace for those serving*

I dearly love you all and I'm so gratefully for your interest and sacrifice!

Please continue to lift us up in prayer!

Nathan,

Your brother in JESUS.

Jesus is coming soon!

"Our Lord, COME!"
