

Christ, Only Christ!

Report of the use of talents entrusted to HIS servant, Nathan.

*To praise the Lord is my delight,
He's done so much for me;
His mercies, morning , noon, and night
Are ever new and free.
When faith was small and skies were dark,
And all of life seemed wrong,
He set my feet upon a rock,
And filled my heart with song!
His gentleness has made me great;
'Twill be my life endeavor
To heed His call, to give my all,
And praise His name forever.*

Easter Family Camp

Yesterday the Easter camp ended and I'm praising the Lord for hearing our prayers; abundantly blessing in so many ways! The Holy Spirit moved powerfully in the teachings and many souls were touched. All our fiscal needs were met; though it was the biggest family camp we have ever had. Jesus Christ was the focus and God was glorified!

- *Please pray that all these people would be quick to apply what they have learned.*
- *Pray that the Lord would revive us again!*

San Carlos

As we continue to pray for an open door for the children here, I'm starting to see God answer our prayers! Though they are still inconsistent, more and more kids have started coming.

Children Ministry

Nicol & Monserrat

We had hoped and prayed that Manuel would come and bring his family to the Easter Camp; but he didn't come. He has been really struggling with some sin in his life and being willing to fully trust the Lord to supply all his needs. We feel really concerned for him.

- *Please pray that Manuel would fully surrender to the Lord.*
- *Pray that the Lord would continue to open the door for the children in San Carlos.*
- *Pray that I would be faithful in this ministry.*

La Purisima

This afternoon, I went with my good friend Regis to teach this Bible Study. I feel encouraged about what God is doing in this place and I still marvel at how He continues to answer our prayer to use Damian and Flora to reach others with the Gospel! The last couple of times we had three of their daughters come—Alejandra, Violeta and Magali. Also, a small group of their grandchildren. Their daughter Magali is a lesbian, but she seems very interested and rarely misses the study.

- *Please pray for the Salvation of Alejandra, Violeta & Magali.*
- *Pray that the Lord would show me how to teach & what to say.*
- *Pray that the Lord would open up another door for the Word in La Purisima.*

Parents in Action Camping Trip

I can't express what a wonderful time we had together on this camping trip! The Lord really blessed us in so many ways. He protected us; He gave us the perfect climate; there was a special spirit of love among all those who went. I think it was probably the camping trip I've most enjoyed!

Baptisms

Doña Luz

My mom and I have continued to study with Doña Luz every Thursday. The last couple of weeks she has been sick so we have had to cancel the study. But I still feel like she continues to have a hunger for the truth.

- *Please pray that Satan would not deceive her with his lies.*
- *Pray that she would be reading the Word.*

What's Next?

In the coming week or so, I'm going to be taking a trip to the border to see my Grandmother and renew my car papers. About a month ago I started the renewal of my visa and I'm still waiting for Immigration to give it to me. It should be ready any day now but I can't leave until they give it to me. My car permit ends on the 15th of April.

Lord willing we will also FINALLY be drilling the well this month.

I think those are the only things out of the ordinary.

- *Please pray for traveling mercies!*
- *Pray that the Lord would bless the well project!*
- *Pray that I would be able to leave the country before my car permit expires.*

Thank you so much for your support and interest!

Nathan,

Your brother in JESUS.

Our Lord, COME!
