

Christ, Only Christ!

Proclaiming HIM Following HIM

March 2020

I Can Trust God For Tomorrow

I can trust God for tomorrow,
He knows all that may befall.
He is wise and ever loving,
I can trust Him with my all.

I can trust God for tomorrow,
He can banish fear and doubt,
He can turn my weary wondering,
Into glad, triumphant shout.

I can trust God for tomorrow,
What a comfort to my heart.
When I feel completely helpless,
From His love I cannot part.

Because I have found Him faithful
Through my every yesterday,
I can trust God for tomorrow,
I can trust Him for today!

Clara Jarvis

20/20 Vision Zamora

During the weekend of this evangelistic outreach in Zamora we were joined by about 75 fellow believers from different churches in Mexico. It was a wonderful time of fellowship as we worked together proclaiming Christ door to door and in the public parks.

Friday evening outreach

This is the place we rented to prepare and eat meals for all the people who were participating in the outreach.

Several people who went couldn't afford to stay in a hotel. But thankfully there was plenty of room for tents at this place—so several of those who went camped!

Door to door work in the morning

Prayer time after lunch

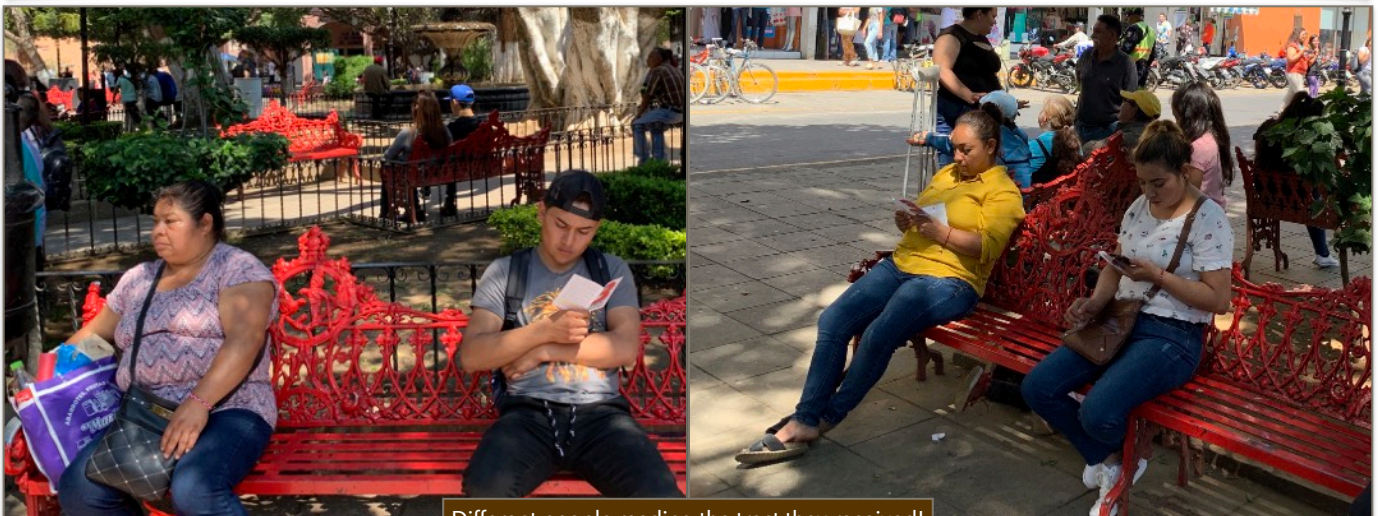

The believers who helped in the outreach

Saturday evening outreach

Handing out tracts in down town Zamora Sunday afternoon

Different people reading the tract they received!

As a result of this outreach we initially made about 10 contacts who wanted to start a Bible study. In the end only about 4 actually followed through. Though we would love to see more response, we are still thrilled that there are now a few more people being led to the Lord through His Word!

- ▶ Heavenly Father, fill Caleb & Alma with Your wisdom and patience and love as they teach these Bible studies.
- ▶ May those being taught have ears to hear and eyes to see.
- ▶ Cause them to fear You more than they fear men as they seek the Truth! In Jesus name, amen.

P.A. Camping Trip

Our time together at the river turned out to be very profitable. Though we were a very large group we did get together several times to sing and share personal testimonies. It was a wonderful trip!

Setting up camp

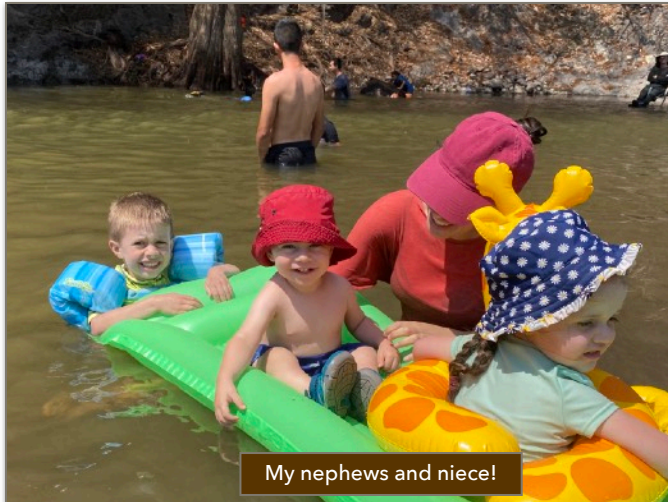

Group of discipleship kids who live at the camp.

Singing and sharing around the camp fire

- ▶ *Dear Lord, continue working in our hearts making us more and more like Christ.*
- ▶ *May these parents raise their children according to Your Word not according to the world. Amen.*

San Carlos

It is exciting to see the Lord start answering some of the requests we have been lifting up for so long! We are starting to see more and more children come CONSISTENTLY to the kids class!

The Lord has brought this about through a new family that has started coming. They actually live in a little town five minutes away from San Carlos. But they have been coming every week and always bring a group of kids with them. It is still a small group but it's encouraging to at least have them coming consistently!

Praise the Lord Ana and Yuri have been able to continue working with another group of kids too!

My group of kids

Ana's group of kids

- Wonderful Savior, continue bringing these little ones every week.
- Help us lead them to Christ.
- Keep the adults in Your Truth.

What's Next?

Due to COVID-19 the university is closed and I haven't been able to continue doing the Bible studies with Rafael and Jafet.

Because of how elderly Damian and Flora are I decided it would be best to stop that study also.

Thankfully I have been able to continue studying with Luz up until now.

Our trips to San Carlos and Arumbaro are still happening but that could change.

Unfortunately we were forced to cancel our annual Easter family camp.

We are still tentatively planning to do the bike trip in April. Also next Monday I'm planning a survival hike with the guys who do the accountability study with me. Of course, this could all change!

We don't know what the future holds, but we know WHO holds the future!

I'm so grateful for all your love and support!

nathan,

Your brother in CHRIST!
