

Christ, Only Christ!

Proclaiming HIM Following HIM

March 2021

Step By Step

He does not lead me year-by-year,
Nor even day by day,
But step-by-step my path unfolds;
My Lord directs my way.

Tomorrow's plans I do not know.
I only know this minute;
But He will say, "This is the way,
By faith now walk ye in it."

And I am glad that it is so,
Today's enough to bear;
And when tomorrow comes, his grace
Shall far exceed its care.

What need to worry then, or fret?
The God who gave His Son
Holds all my moments in his hand
And gives them, one by one.

Havilah

It's amazing how much work and time goes into making a business work! During the past few months I've been working on the creation of a website for Havilah. This has involved more work than I could have ever imagined!

So far I've taken several photos of each item in our inventory of over 700 books and Bibles! After taking all these photos I have to reduce their file size and then upload each one of them to the website—not to mention registering the weight and diameter of each book! But in reality we have a relatively small inventory. I can't imagine how Amazon registers all its inventory!

Though we are still breaking even the Lord has provided abundantly for all our needs and I feel like Havilah has continued being a light for the lost and a blessing to the Church. Here are some pictures of the website and the [link](#) if you would like to see it for yourself.

- ▶ Dear Lord, continue making Havilah a light to the lost and a blessing for the Church.
- ▶ Help us do a good job on the website as we finish the last details.
- ▶ Bless and encourage the Roa family as they continue running the Havilah storefront. In Jesus name, amen.

Camping Trip

This month we went on our annual Parents in Action camping trip. I believe it turned out really well and it was great to see lots of parents taking the time and making the sacrifice to go on this trip.

- Heavenly Father, help these parents train up their children in the Way they should go.
- Show them the blind spots in their parenting.
- Make them good examples for their children to follow. Amen!

San Carlos

We have started staying the night on Sundays when we go to this ministry and I'm now confident it is worth the extra effort! Since we've started spending the night, both Manuel and his family seem more encouraged and I feel like we are finally getting to know more people in San Carlos, giving us an open door for ministry there.

- Wonderful Savior, cause Manuel and his family to grow in the knowledge of You and in Your grace.
- Help them seek first Your kingdom and Your righteousness.
- May more children be permitted to come to You.
- Give us wisdom to know how to lead them to You. In Jesus name, amen.

What's Next?

Well, tomorrow the annual Easter family camp begins and there are well over 450 people signed up to come! The camp will last til April 4th.

The day after the camp ends we plan to do the week long bike trip to the Pacific Ocean.

As soon as we return from the bike trip I think we will be back to the old routine of weekly Bible studies and weekend ministries as well as all the new activities with the discipleship kids.

- *Dear Lord, grant traveling mercies to all those coming to the Easter camp.*
- *Give strength to the many people who will be serving during the camp.*
- *Speak through those who teach.*
- *Give those present ears to hear.*
- *Please protect those going on the bike trip.*
- *May we see eternal fruit from both the camp and the bike trip.*
- *And help us to proclaim and follow, Christ, only Christ! Amen.*

I'm so indebted to all of you! Thank you.

nathan,

Your brother in CHRIST!

- *He is alive! MARANATHA*
