## The Red Sea Place

Have you come to the Red Sea place in your life,  
Where, in spite of all you can do,  
There is no way out, there is no way back,  
There is no other way but through?  
Then wait on the Lord with a trust serene  
Till the night of your fear is gone;  
He will send the wind, He will heap the floods,  
When He says to your soul, "Go on."

And His hand will lead you through - clear through -  
Ere the watery walls roll down,  
No foe can reach you, no wave can touch,  
No mightiest sea can drown;  
The tossing billows may rear their crests,  
Their foam at your feet may break,  
But over their bed you shall walk dry shod  
In the path that your Lord will make.

In the morning watch, 'neath the lifted cloud,  
You shall see but the Lord alone,  
When He leads you on from the place of the sea  
To a land that you have not known;  
And your fears shall pass as your foes have passed,  
You shall be no more afraid;  
You shall sing His praise in a better place,  
A place that His hand has made.

# State Fair Outreach

For almost the entire month of May we took turns attending the booth at the State fair. In the Clark Herald my mom filled you in on most of the details. Praise the Lord we were able to share the Good News with hundreds of people and several indicated they wanted Bible studies!

It's also encouraging that Rafael the Civil Engineer student who we contacted last year at the state fair has continued studying the Bible. He really seems to be coming close to understanding the Good News!

› Heavenly Father, cause your Word to be understood and believed by those who have received it at the state fair.  
› May Your Truth expose the lies of Satan.  
› We ask that they would receive the love of the Truth!  
› Let those who trust in You bear much fruit and bring glory to Your name! Amen.

## Women's Conference

We were so blessed by the visit and teachings of Sarah and Grace Mally and other girls from the Bright Lights ministry for women. The theme of the teachings was learning to speak the truth in your heart rather than believing lies.

Through these teachings many women and girls were greatly motivated and encouraged in their faith. One young girl made a profession of faith in Christ after the gospel chalk drawing one evening. We feel like this subject is so important and one our people desperately needed to hear!

- ▶ *O Lord, cause these teachings to be applied in the lives of those who heard them.*
- ▶ *May these women and young girls share with those around them the great truths they have discovered!*
- ▶ *And help them to free others from the lies of the enemy. In Jesus name, amen!*

## Amor Divino

The week after the women's conference, we were off to Cd. Hidalgo where about 150 believers were meeting to work on this project! The Lord did so many great things and answered so many prayers! We feel overwhelmed!

My mom has been working very hard for two days on writing a detailed report about the past week. I believe all of you receive the Clark Herald so I will not waste your time repeating anything here.

›Dear Lord, once more we pray that your Word would be understood and believed by those who have received it this past week!

›Protect Your Word from the enemy.

›May these people love Your approval more than that of man.

›Provide wisdom, strength and workers for the great harvest! In Jesus name, amen.

# What's Next?

Mid-June the Roa family will be re-opening their coffee shop/book store. We will be helping them a little with this project.

There is a lot of planning and preparation to do this month for our up-coming youth camps in July.

We're continually recording hymns for congregational singing from our hymn book. Lord willing, this project will be finished by the end of this year!

Besides all of this, we will need to keep up with all the weekly ministries.

- ▶ *Heavenly Father, we are not equal to the task before us; but You are! Help us to stand on Your unlimited strength and grace.*
- ▶ *May Your priorities be our priorities.*
- ▶ *Fill us with Your love!*
- ▶ *Help us see things the way You see them.*
- ▶ *Let it be Christ, only Christ in everything and everyone! Amen!*

I'm sorry this update is so late! But honestly since the beginning of June this is the first day when I've had the energy and time to write it.

Our God is moving mountains! We need you to continue praying for us!

Thank you for your interest and love!

nathan,

Your brother in CHRIST!

- ▶ *Our Lord, COME!*
