Report of the use of talents entrusted to HIS servant, nathan.

November 2016

Visa

November 2016 has passed, and I am so grateful to our great God for His many mercies. The tourist visa that I currently have allows me to stay in Mexico until the second of May. Right now I'm working on getting all the paperwork and letters together, that I will need for my visa, and then continue with the next step—taking it all to a Mexican embassy in the US. They will evaluate everything and hopefully approve it. I would then be able to come into Mexico and get the Visa that I need at an INM (immigration) office in Morelia (the city nearest to us). I have no idea right now when all the paperwork will be ready, but hopefully before the second of May!

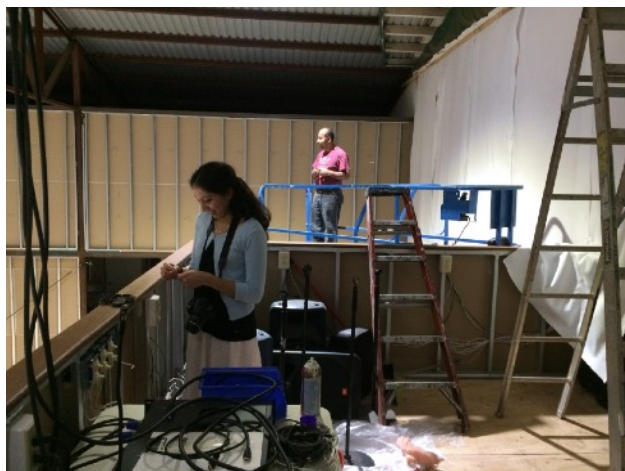

Just to clarify, in the last letter I seemed to give the impression that I'm still working in Berea Coffee Co. Since my work visa expired the fifth of October I have not been working there, and unfortunately the missionary visa I am trying to get won't allow me to 'work' in Mexico.

The Camp

The Lord answered your prayers for traveling mercies, and after getting home safely, there was a lot of work to do. My dad had been working on the new auditorium, trying to make it usable for the upcoming camp.

There was a lot to do and not much time to do it. One of the problems that we encountered was trying to get rid of the echo in the building, which didn't allow you to hear anything very well! But with lots of help from the

many great people the Lord has put around us, we covered the back wall of the auditorium with insulation, and then draped it with fabric. This

amazingly took the echo away. The picture above shows Alma, standing in the sound booth, and Miguel working on hanging the cloth in the lift. The picture on the right is the back wall after we finished. Thanks to the Lord we were just able to get everything ready in time for our large family camp. It is a huge blessing to have this auditorium! There is still a lot of work to do on it, but at least it is usable.

The huge screen in the above picture was given to us by Faith Bible Fellowship. It turned out to be just right for what we needed. Thank you all so much!

The Camp turned out great! Our teachers this year were Denny Norris, (a missionary, who works with hispanics in Oregon), and Martin Tuohy, (a missionary who works in Puruándiro Mexico). The two focuses were ‘Our Eternal Hope’ and

‘Child Raising’. Lots of people were challenged and encouraged by the wonderful teachings! They were all recorded, and are available for free download on our website palabradeverdad.com but they are in Spanish of course.

Thanks Giving

After the camp, our close friends and fellow missionaries stayed for our great Thanksgiving celebration! For us, this is probably our favorite celebration of every year. We had a wonderful time together, enjoying lots of great fun, delicious food, deep fellowship and best of all, a joint focus on giving thanks to our great God! Truly there is much to give thanks for this year.

Damian & Flora

I continue to go every week to give the Bible study to this elderly couple. I feel like they are slowly understanding and they have never lost interest. Please continue to pray for their salvation.

Arumbaro

In Arumbaro we are seeing some people lose interest, and others grow in interest. Please continue to pray for the study with the adults.

I am working with the children and I feel encouraged. I just love working with these little ones, and my greatest desire is to teach them to know and love Jesus with all their hearts! Please pray this for them.

Blessing

Psalm 127 says children are a blessing from the Lord; the 29 of November Jemimah Leticia Clark was born to my brother Michael and his wife Sofia. I'm so grateful to the Lord for this blessing He gave my family! This picture was taken at 2 days old.

CHRIST, ONLY CHRIST!

What's the Plan?

The month of December is a very busy month for us. We are working on the plans and preparations for our annual Christmas play. This year we will be doing it on three different days. This will give a chance for more people to come than we have room for at one time. In my December update I will tell you more about this year's play; but they all are evangelistic and the people coming for the most part are unsaved. There's a lot of work to do to get ready for these plays, putting up lights, decorating, planning the script, choosing the actors, memorizing parts, practicing... and much more. I would appreciate your prayers for these Christmas plays.

Thank you so very much for your interest and most of all your faithful prayers!

nathan,
Your brother in Jesus.

Maranatha!
