

Christ, Only Christ!

Report of the use of talents entrusted to HIS servant, nathan.

*My soul, O Lord, is blessing Thee for all Thy benefits to me;
And all that is within me sings sweet praises to the King of kings.
'Tis He forgives iniquities, redeems the life, and heals disease.
He satisfies with all things good; my strength like eagles' is renewed.
As father pities child, the same He pities them that fear His name.
As heaven above the earth is far, so great His mercies to us are.
The Lord will not forever chide, nor will He long His mercy hide.
He executeth righteousness and judgment for the sore oppressed.
As far as west is from the east, I from my sins have been have been released;
As drifting clouds that hide the skies, my sin is blotted from His eyes.
He knows our frame, that we are dust, and as the flower fades, we must,
Not so His mercy, for it stays the same through everlasting days.
The angels lowly bow before the Lord they honor and adore.
So I, O Lord, through all my days before Thee bow to offer praise;
And when at last Thy face I see, my soul will still be blessing Thee.*

November 2017

Family Camp

I can't believe how quickly November has passed! Thank you for praying for the family camp. We had a very good attendance and the teachings were outstanding! There really seemed to be a spirit of humility in those who spoke and I felt like the Holy Spirit was really at work. Many people were challenged and encouraged. Thanks again for praying.

- *Please continue to pray that the Holy Spirit would keep on working in these hearts.*
- *Pray that there would be a revival in our churches.*
- *Pray that we would be hearers and doers of the word.*

Thanksgiving!

I really enjoyed Thanksgiving this year! We had a wonderful time of fellowship and thanksgiving together. One of our traditions is digging a big hole in the days before Thanksgiving and lighting a huge fire in it the night before the celebration. Once the wood has burned down to embers, we put all the meat down in the pit and covered it up with dirt again. We usually wait to put the meat in at about 2:00 or 3:00 in the morning! The next day we dig it up right before the meal and then enjoy a delicious meal together!

We have so much to be thankful for! The Lord is good.

Damian & Flora

I'm really excited about what the Lord is doing in this place! The town that Damian and Flora live in is called La Purisima. The Lord is answering our prayers and we've kept having a good

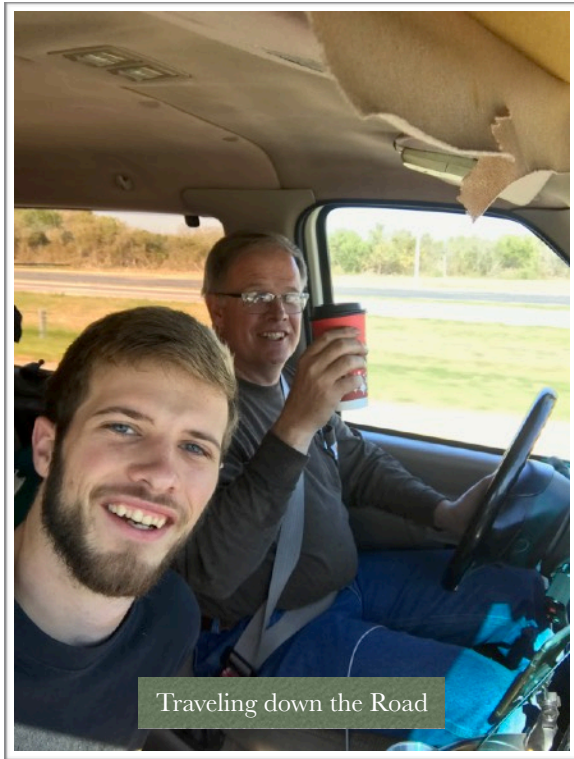

group of kids come and a few adults. The kids seem to love coming and they pay close attention to the Bible study.

- *Please pray that I would speak the Word with clarity.*
- *Pray that these adults and children would have a hunger for the truth.*
- *Pray that the gospel message would be clarified in the minds of Damian and Flora.*
- *Pray that Satan's lies would be silenced in La Purisima.*

Quick trip to the States

The day after Thanksgiving, my dad and I left on a short trip to the States. The purpose of this trip was to take up some of the belongings of our fellow missionaries, the Primes, who are moving back to the US, and also to bring back their Mexican-plated car. After getting to Little Rock Saturday night we enjoyed seeing our dear brothers and sisters from Faith Bible Fellowship Church.

On Monday we started on the trip back home. Praise the Lord for taking us safely all the way!

What's Next?

If November was busy, December is going to be even more so! We are still working on the script for our Christmas presentation, and we have to have it ready by next weekend! Then there will be four presentations, with the purpose of presenting the gospel to many non-believing guests.

I need to try finishing the Christmas album; and I've only recorded 4 songs so far!

And of course we have to keep on going to Arumbaro and San Carlos and La Purisima and the Hospital... We will have plenty of things to keep us busy!

- *Please pray for strength and grace as we work!*
- *Pray for wisdom and diligence for us.*
- *Pray that the Lord would move hearts through this year's outreach.*

Thank you for your interest!

nathan,

Your brother in JESUS.
