

Christ, Only Christ!

Proclaiming HIM Following HIM

November 2020

Trust in God, My Soul

Oh, Lord, I trust Your grace; it is enough, enough for me.
In every trial I shall trace its all-sufficiency.

And, Lord, I trust Your strength; in You alone I shall be strong:
My failing flesh will learn at length a daily triumph song.

Oh, Lord, I trust Your Word; it gives me hope and light to see.
The path ahead, though now obscured, will open wide for me.

Oh, Lord, I trust Your love; I feel its warm and changeless glow;
My life or death shall only prove its everlasting flow.

Oh, trust in God, my soul, and look into His face.
Oh, trust in God, my soul; His holy will embrace.
Then I shall stand complete and whole, a trophy of His grace
As I trust God.

Family Camp

We did end up having a smaller group than usual at this camp but I'm confident they were the people that the Lord wanted. With outstanding teachings and sweet fellowship I was blessed and encouraged as I trust all those who came were.

A little over 300 people came

Several people were baptized during the camp

As we consider this year and remember how the Easter camp was canceled due to COVID, gratitude fills our hearts as we see the Lord opening doors that no one can close!

- *Dear Lord, continue to use us in Your mercy and grace.*
- *May those who heard Your voice during this camp now obey it.*
- *Give us wisdom as we plan future camps. In Jesus name, amen.*

Thanks Giving!

Though having been a challenging year, we have a lot to be thankful for! This time of fellowship and worship with our fellow missionaries was especially encouraging. God is so good!

I know our thanks giving celebration is anything but normal! If you want to really understand how it works you will just have to come down and join us next year :)

Havilah

Praise the Lord our sales at Havilah have steadily been increasing. The Roa family is doing a fantastic job, taking advantage of every opportunity to share the gospel or encourage a fellow believer. As we start selling more and more books and Bibles I'm struggling to keep on top of ordering more material—keeping our inventory full.

Just today I was messaging with Brian a young man I shared the gospel with in Havilah! He lives in Mexico City but we still keep in touch and I believe he continues to be interested.

- *Heavenly Father, continue making Havilah a light.*
- *Help us administer it well.*
- *Continue providing for our financial needs there. Amen!*

What's Next?

December is always a fun but very busy month for us! We are planning to do 4 evangelistic Christmas presentations this year, a Christmas meal for Berea Coffee Company and our caroling outreach with the Church.

I'm hopeful we will be able to continue with some of our weekly Bible studies. Most of our normal weekend ministries will probably be on hold until 2021 because of the Christmas presentations.

- *Wonderful Savior, bring many lost souls to the Christmas plays.*
- *Help us clearly proclaim to them the Truth.*
- *Bring us people who are hungry, people seeking the Truth, in whom You are working!*
- *And in this month may we draw others closer, as we draw closer to Christ, only Christ! Amen.*

Thank you so much for reading this update and praying for us!

nathan,

Your brother in CHRIST!
