

We are so grateful to the Lord for safely bringing *Juliet Priscilla*, our second granddaughter (fourth grandchild) into the world on Sunday, September 27. Thank you so much for your prayers.

The birth took place with a mid-wife in Little Rock, Arkansas. We are very anxious to have Michael and family back with us in Mexico soon! We can't wait to have our grandchildren close again, along with the joy of becoming acquainted with this precious new little one.

ANOTHER EXCITING PIECE OF NEWS FOR THE CLARK FAMILY:

We told you in our last update that Regis and Katie are expecting a baby. After that, we found out that they are expecting twins!!! Katie is close to four months along in her pregnancy. We would appreciate your prayers for a very good pregnancy and healthy delivery of two more grandchildren!

As we have mentioned previously, we are rejoicing to see another answer to our long-time prayers for more workers for the soul harvest in Mexico. Michael and Sofi will now be joining us as full-time missionaries. Below, we are including a short letter they have written to friends and churches, telling about their plans. If any of you would like to receive their updates and pray for them, please click on this link msejli@gmail.com and let them know. They would be thrilled to have your prayer support. Thank you so much for your faithful interest and prayers and for upholding us over so many years and showing interest in our children as well.

Dear friends,

We are excited about the new direction the Lord is leading our family and would like to share with you a little about the desire He has given us to spend our lives in bringing others to Christ. After a year or so of prayer, and consulting with godly friends and elders from various churches, we feel the Lord would have us serve Him full time on the mission field in central Mexico.

To give you a little background history...Sofia and I were married in 2014 when we were both 22 years of age. We have been abundantly blessed in the past 6 years with four wonderful children. Our youngest daughter was born exactly one week ago! We have spent some of our married life in the US and some time in Mexico, where I have worked in a variety of secular jobs, but we have always had a love for the ministry and a desire to take part as we could. Growing up on the mission field gave me a passion for helping people come to understand the gospel which has transformed our lives!

About 3 years ago, we had an opportunity to take a job in Mexico where we were right on hand to be involved in many of the ministries taking place where my parents are working. The Lord began to open doors for us to teach evangelistic Bible studies to several families, as well as an outreach to young married couples—many of them yet unsaved. We were thrilled to see some people come to the Lord, and began to have a longing to spend more of our time as “ambassadors for Christ, beseeching people to be reconciled to God.”

We are so grateful and excited that the Lord has put it on the heart of the Iglesia Biblica de Cannon Beach (Cannon Beach Bible Church) to commend us to the ministry! Our mission board is CMML (Christian Missions in Many Lands). We will begin sending out monthly prayer updates to all who would like to receive them. Please do not feel in any way obligated to continue to receive this update! We know there is an over-abundance of material to read these days, and it is impossible to keep up with all of it! However, if you are interested in joining us in prayer for our family and the Mexican people to whom we will be ministering, please respond to this email and we will put you on our list! Thank you all for your love and friendship!

The Michael Clark Family
