

Thank you for praying for us! It is exciting to see how the Lord has been answering your prayers.

—Mario is doing well and seems encouraged. We continue visiting drug rehabilitation centers twice a week and feel very positive about this ministry. Several people have shown sincere interest in the Word and say they want to start coming to church with us once they are released. PLEASE CONTINUE PRAYING FOR MARIO AND FOR THE WORK IN THE DRUG REHAB CENTERS.

—Conchita continues to faithfully come to church and read her Bible every day. She has been asking good questions recently that make me think she is starting to better understand the Gospel. PLEASE PRAY THAT CONCHITA WOULD BE CONVICTED OF HER OWN SINFULNESS AND NEED FOR THE SAVIOR.

—Recently we decided to stop taking the initiative, asking Henry and Diana when they wanted to do the next Bible study so we could discern if they were really interested. Two weeks went by with no communication. Then finally this Tuesday, I received the message from Henry we had been waiting for. He said he had been really busy with his work but that they do want to continue studying the Bible! On Wednesday, I was able to re-start the Bible study with them. PLEASE CONTINUE PRAYING FOR HENRY AND DIANA'S SALVATION—AND THAT THEY WOULD CONTINUE STUDYING THE WORD.

—Though we are still a very small group, we are looking for a more central location to meet for the Sunday morning and Wednesday night church services. Right now we have been meeting in our house on Sundays and Mario's house Wednesday nights. The problem is that both our homes are kind of hard to find and there aren't any good options for public transportation. (Both Mario and Conchita rely on public transportation to come to church.) We have also had a lot of people ask us where "our church is" and it's always hard for them to figure out the location of our homes. PLEASE PRAY THAT THE LORD WOULD LEAD US TO THE RIGHT LOCATION FOR THE MEETINGS AND CHURCH ACTIVITIES—WITH AN AFFORDABLE RENT WITHIN OUR MEANS.

—The night after I sent out the last prayer letter asking you to pray that we would be able to start up the Bible study with Luis again, he sent me a message and asked me if we could start studying again the next morning! And the following day I had a great Bible study with him. He also came to church that Sunday and told me that he wanted to make coming to church a priority in his life. Since then, he hasn't missed a church service! The Lord is answering our prayers! PLEASE PRAY THAT LUIS WOULD NOT RETURN TO HIS OLD WAY OF LIFE—THAT HE WOULD FEAR THE LORD AND WALK UPRIGHTLY.

—The discipleship program we had proposed for my brother and sister-in-law is on hold but it could still happen later on this year. This week we have been hosting six boys ages 16 to 23 in our home. They have been participating in a Discipleship program since August of last year. We agreed to have them come over for a week and they have been studying the book of Romans with Mario every day and also helping him with projects around the house. It has been encouraging to have them here. PLEASE PRAY THAT THE LORD WOULD CONTINUE TO LEAD US REGARDING THE POSSIBILITY OF A FUTURE DISCIPLESHIP PROGRAM.
